PEACE RIVER

Improvements of Blanchet Xavier

Compiled from official surveys by

J. W. Pierce	D.L.S.	5th October	1916
J. A. Buchanan	D.L.S.	18th October	1918

Although Mr. Homestead Inspector [illegible] reports that Mr. Baptiste Xavier Sawan applied to the Treaty Commissioners for this land, the Department does not appear to have any record of an application or a statutory declaration made by him before the Treaty Commissioners in 1899 in support of his claim to this land. However a statutory declaration (No. 339) in support of a claim for Half-Breed Scrip was made before James Walker, Half-Breed Commissioner on 28th July, 1899, by Xavier Shawan or Nipissing who may be the same person as the present applicant, and this declaration shows that he was born on the 1st October, 1877, on the Peace River, between Wolverine Point, [illegible] corresponding with Carcajou, and Peace River Crossing, and that he has lived here always and that he is a hunter. This claim to scrip was approved by the Half-Breed Commissioners.

The Deputy Minister approved the recommendation submitted on the 28th May last that the lots in this Settlement be sold at the rate of $5.00 per acre in addition to a patent fee of $10.00 in all cases where the purchase money amounts to less than $40.00, except in cases where claimants can establish occupancy at the time of the conclusion of the Indian treaty in 1899, in which case a free grant should be made by Order in Council.

As the area of these lots is only 1.00 of an acre, and at $5.00 per acre the purchase money will amount to $3.40 in addition to a patent fee of $10.00, Mr. Baptiste Xavier Sawan will be required to purchase the land in accordance with the decision of the Deputy Minister mentioned above, unless it can be found that a free grant may be made to him of this lot, under the provisions of Section 76 of the Dominion Lands Act by virtue of his occupation of the same at the date of the conclusion of the Indian Treaty, in which event it will be necessary to obtain an Order in Council.

W.W. Cory

The Deputy Minister:

In my opinion the evidence filed in this case might be accepted as sufficient to establish occupation of these lots by the claimant at the date of the conclusion of the Indian Treaty in 1899, and I, therefore, beg to recommend that the authority of the Governor in Council be obtained authorizing a free grant to the applicant of these three small lots, aggregating 68/100 of an acre.

M. O'Cole

1918, and on which the lots claimed by Mr. Sawn are outlined in Red.

A Homestead Inspector's report dated 20th June last has been received as follows:-

" Land:- Lots 6-7-8, Block 1, Carcajou Point.
" Nature of soil:- Sandy Loam.
" Name of entrant:-Napachet Xavier Sawn.
" Present Post Office address:- Carcajou Point.
" In residence or not:- Yes.
" What residence has been performed:- 31 years.
" House:- Log 1 Size 16 X 20 Value $100.00
" 2 Stables Log, Size 16X20, 12X16 Value 75.00
" General Remarks:- The above houses are on Lots 6
" and 7, Block 1, stables are on Lot 8, Block 1. This
" man claims to have made application to the Treaty
" Commissioners to the land described as above.
" Surveyor also took note of his improvements. He has
" lived all his life 40 years on this land.

" This is a claim of Napachet Xavier Sawn for
" certain lands in the Carcajou Point Settlement.
" Mr. Sawn claims to have been in possession of the
" land now described as Lots 6-7-8, Block 1, Carcajou

Re Lots 6-7 and 8, Block 1, Carcajou
Settlement, Alberta.
Areas together .91 of an acre.

I beg to submit for your consideration the claim of Mr. Napoleon Xavier Sawn to the above-mentioned Lots.

The survey of this Settlement was made to meet the requirements of the settlers at this point.

The extinguishment of the Indian title in this locality was completed in 1900. (Treaty No. 8.)

Mr. J. W. Pearce, D.L.S., made a studia traverse of Carcajou Settlement in 1916, and reported certain improvements found by him among which was a house owned by Xavier Sawn No. 2, the location of which appears to correspond with the house valued at $200.00 on Lot 7, Block 1, owned by Napoleon Xavier Sawn. Another house built by Napoleon Xavier Sawn and owned by Xavier Sawn was located on Lot 5, Block 2, a barn was then owned by Napoleon Xavier Sawn on Lot 11, Block 2.

In a letter dated August 8th, 1917, Mr. W. [illegible] of Wolverine Point stated that Mr. [illegible] No. 2 is a nephew of Mr. Xavier Sawn No. 1.

On the 11th September, 1922, the Department of Indian Affairs reported that there are no Indians who are entitled to make a claim to land in Carcajou Settlement.

An undated letter on file 487470l received by the Department of Indian Affairs on 4th August, 1921, from Mr. W. Rowe for Naparet Exxiver, states that the latter claims about 3 acres here, was a house and barn and has resided practically his whole life on this 3 acre parcel.

A portion of the plan of Carcajou Settlement is on file beneath of which is shown the improvements of Napoleon Xavier Sawn found by J. A. Fue[illegible], D.L.S., in

1916.

To His Excellency

The Governor General in Council.

The undersigned has the honour to report that application has been made by Mr. Napachet Xavier Dawn of Carcajou Settlement, in the Province of Alberta, for a grant of Lots 6, 7 and 8, in Block 1, of the said Settlement, by virtue of occupation thereof at the date of the extinguishment of the Indian title.

Evidence having been submitted showing the applicant to have been in actual occupation of the land at the date of the conclusion of Indian Treaty No. 8 in 1899, the undersigned begs to recommend that under the provisions of section 76 of the Dominion Lands Act a grant of the said Lots 6, 7 and 8, in Block 1, of Carcajou Settlement, containing by admeasurement together sixty-eight hundredths of an acre, more or less, and the issue of letters patent therefor be authorized to the said Napachet Xavier Dawn.

Respectfully submitted,

Minister of the Interior.

Sir,

N.W. ¼ Sec. 1 Tp. 82 Rge. 5 West 6th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent Session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

DOMINION LANDS ADMINISTRATION

Sir,

Pr. N.E.¼ 5-86-20 W.5th M.
Your Reference No. 49757.

I have your letter of the 2nd instant and in reply I am to state that according to the records Henry Young of Peace River, Alberta, was allowed to purchase the above described fractional area containing 19.30 acres conditional upon earning title to homestead the S.E.¼ of the same section. His entry for the N.E.¼ 5-86-20 W.5th M., was cancelled and, therefore, the permission granted him to purchase this land was automatically withdrawn and the land was posted as being available for ordinary settlement on the 18th July, 1923.

In view of the fact that the land was vacant at the time of the transfer of the resources it would appear that the papers should remain in the custody of this Department.

Your obedient servant,

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Re: Account of Angela Guerra,
N.W.¼ 15-65-14-W4.

Dear Sir:

During the year 1917 while homesteading the above mentioned land, Mr. Angelo Guerra received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $66.29 of which $22.50 is principal and $43.79 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Yours very truly,

C.K. LeCapelain,

The above named debtor received your letter of the 1st instant and since he is unable to correspond in the English language, he wrote to Mr. C. J. Biollo who was a neighbor of his for many years, requesting Mr. Biollo to take up his case.

Mr. Biollo called on me today and from personal knowledge of the debtor's circumstances and information contained in the letter he recently received, he would like to submit an offer for compromise settlement in the amount of $...50, being the principal amount of the account, for acceptance by your Board.

Mr. Biollo states that the debtor is past sixty-five years of age, his wife is approximately fifty-eight years of age, and they are both suffering ill health. Mrs. Guerra has for the past three years suffered severe arthritis and partial paralysis which require periods of hospitalization and the debtor himself is in such poor physical condition that he is unable to perform any work whatsoever, and has been forced to operate his small farm by tenants. His income is, therefore, very limited and with the heavy medical and hospital expenditure he has been involved in during the past several years, his financial position is very poor.

Mr. Biollo has no office facilities to assist the debtor and has asked me to submit the above outline of Mr. Guerra's circumstances and offer for compromise settlement.

If the offer would meet with favourable consideration of your Board kindly advise either the debtor or Mr. Biollo whose address is 10554 - 76th Avenue, Edmonton, and the remittance will be forwarded. Should you require any additional information Mr. Biollo would be prepared to obtain same for your office as soon as possible.

In so far as this office is concerned, we are merely trying to assist the debtor and your Department, in making the above mentioned representations.

Yours very truly,

S. Cherkas,

RE: N.W. 15-65-14-W.4th

We have recently received a letter from Mr. S. Cherkas, Department of Municipal Affairs, Edmonton, Alberta, who has written to us at the request of a neighbour of yours Mr. O.J. Biollo concerning your seed grain account. Mr. Biollo has informed us that he believes the Seed Grain Advisory Board should be willing to make a reduction in your case because of the sickness of both you and your wife.

In order to assist you in clearing your title, if you will remit the principal amount of $22.50, within a reasonable time, we will recommend to the Board that the interest be cancelled. Your cheque or money order should be made payable to the Receiver General of Canada and forwarded in care of the undersigned.

Yours very truly,

RE: Account of Angelo Guerra
N.W. 15-65-14-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1917 seed grain in the amount of $22.50 was advanced to Angelo Guerra on the security of the above described land. No payment was ever made on this indebtedness until the sum of $22.50 was received when the standing of the account was:-

Principal	Interest	Total
$22.50	$43.79	$66.29

On the 10th of February, 1956, Mrs. S. Cherkas, Chief Collector, Department of Municipal Affairs, Edmonton, Alberta, wrote:

"The above named debtor received your letter of the 1st instant and since he is unable to correspond in the English language, he wrote to Mr. O.J. Biollo who was a neighbor of his for many years, requesting Mr. Biollo to take up his case.
Mr. Biollo called on me today and from personal knowledge of the debtor's circumstances and information contained in the letter he recently received, he would like to submit an offer for compromise settlement in the amount of $22.50, being the principal amount of the account, for acceptance by your Board.
Mr. Biollo states that the debtor is past sixty-five years of age, his wife is approximately fifty-eight years of age, and they are both suffering ill health. Mrs. Guerra has for the past three years suffered severe arthritis and partial paralysis which require periods of hospitalization and the debtor himself is in such poor physical condition that he is unable to perform any work, whatsoever, and has been forced to operate his small farm by tenants. His income is, therefore, very limited and with the large medical and hospital expenditure he has been involved in during the past several years, his financial position is very poor.
Mr. Biollo has no office facilities to assist the debtor and has asked me to submit the above outline of Mr. Guerra's circumstances and offer for compppomise settlement.
If the offer would meet with favourable consideration of your Board kindly advise either the debtor or Mr. Biollo whose address is 10554 - 78th Avenue, Edmonton, and the remittance will be forwarded. Should you require any additional information Mr. Biollo would be prepared to obtain same for your office as soon as possible.
In so far as this office is concerned, we are merely trying to assist the debtor and your Department, in making the above mentioned representations."

Mr. Guerra was informed that enremittance of $22.50 recommendation would be made to the Seed Grain Advisory Board that the interest of the account be cancelled.

The sum of $22.50 representing the principal has been received in full settlement of our account. In view of the extenuating circumstances this is considered equitable.

Sir,

Pr. No. 5-86-20 W.5th M.
Your reference No. 49757.

I have your letter of the 2nd instant and in reply I am to state that according to the records Henry Young of Peace River, Alberta, was allowed to purchase the above described fractional area containing 15.30 acres conditional upon earning title to homestead the N.E. ¼ of the same section. His entry for the N.W.¼ 5-86-20 W.5th M., was cancelled and, therefore, the permission granted him to purchase this land was automatically withdrawn and the land was posted as being available for ordinary settlement on the 18th July, 1923.

In view of the fact that the land was vacant at the time of the transfer of the resources it would appear that the papers should remain in the custody of this Department.

On receipt of a properly certified copy of the assignment, I see no reason why patent should not issue in the name of McLeod and Moyle, which would be sent to the registrar in the ordinary way, and the trustee notified.

I think a copy of the departmental letter of the 1st of March, 1933, should be forwarded to the trustee, who could state the particular way in which he wished the purchasers to be described in the patent, and if this was in conformity with our practice, we could then issue patent.

OTTAWA,

17th April, 1925.

Madam,-

Re Lots 18 and 19, Block 3
Lots 7 and 8, Block 3,
Townsite of Jarvie, Alberta.

With reference to the Departmental letters of the 18th June last and 10th September last, I am to again advise you that before Letters Patent for Lots 18 and 19 above mentioned can be issued in the name of Margaret Glew, it will be necessary for you to file in the Department a properly executed assignment in favour of the said Margaret Glew, together with the sum of $3.00, being the usual registration fee in cases of this nature.

A Homestead Inspector who reported on these lots in September 1922, stated that part of your improvements were located on lots 7 and 8, Block 3, but that it was your intention to remove the improvements to Lot 18 and 19, Block 3. Therefore, before action is taken towards the issue of Letters Patent for lots 18 and 19, Block 3, it will also be necessary for you to satisfy the Department that you have removed the improvements referred to from the said lots 7 and 8, or to furnish the Department with a document relinquishing all claim or interest in the improvements placed on lots 7 and 8.

As this matter has been delayed for a long period I would request you to please attend to it at once.

Some time ago the School board decided on a small parcel of land close to the business section on which to build a School house. It was the expectation at that time that the then contemplated townsite survey would include this particular part which had been for some time in a Timber berth, operated by Mr W A Charlton and worked by the Excelsior Lumber Co, A T Cushing Manager and Owner.

The recent townsite survey however does not include this particular parcel, and I am writing to learn if this could not be now secured for the purpose mentioned, and if so, what steps will it be necessary to take.

I might however state that when the recent survey was made a two acre piece was set aside for Public purposes, and as a request was made some time ago for a piece of land for School purposes where this two acre reservation has been made it is possible that this can now be secured now for this purpose.

I would be very glad for any information you can give re this matter, as we are desirous of settling on some land in the near vicinity so that a suitable building may be erected at the earliest possible date.

I would be very grateful for an early reply re this matter.

Respectfully yours

Sir:

I am in receipt of your letter dated October 14th asking for information with regard to securing land for a school site in Jarvie townsite.

The returns of the survey of the townsite have not yet been received from our surveyor and we therefore have no definite information as to the location of the parcel set aside for public purposes.

This parcel was laid out in order to comply with clause 19 of the regulations in regard to subdivision of land made by the Minister of Public Works for the Province of Alberta under section 64a. of the Public Works Act. Upon the registration of the plan of survey of the townsite it is presumed that the parcel will come under the control of the Minister of Public Works and if it is desired to have it made available for school purposes, application should be made to him.

Your obedient servant,

for Surveyor General.

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

Whereas by Section 2 of the Saskatchewan and Alberta Roads Act, being Chapter 100 of the Revised Statutes of Canada, 1906, all road allowances in townships now or hereafter surveyed and subdivided and all road allowances in front or back of any lots or hereafter surveyed within the limits of the Province of Saskatchewan or Alberta, and the Dominion Lands comprised in such road allowances are vested in the Crown in the right of the Province within which such road allowances are situated.

And whereas the Act does not contain any provision for the roads or streets or public places or squares which are laid out in surveyed settlements, townsites, villages, etc.;

And whereas the provinces having to construct and maintain the roads, it is necessary that the title to the lands comprised within the same be vested in the provinces;

Therefore His Royal Highness the Governor General in Council is pleased, under the provision of Section 76 of the Dominion Lands Act, authorizing the Governor in Council to appropriate lands for public purposes, to order that every road, street, public place or square shown upon a plan of survey of Dominion Lands and the lands comprised in such road, street, public place or square which do not come within the provisions of Chapter 100 of the Revised Statutes of Canada, 1906, shall, upon the said plan being registered in a Registry or Land Titles Office as directed by Section 67 of the Dominion Lands Surveys Act, be vested in the Crown in the right of the province within which such road, street, public place or square is situated, provided that nothing herein contained shall be construed to vest in the Crown in the right of the province any lands situated in Dominion Parks.

His Royal Highness the Governor General in Council is further pleased to order that the above provisions shall apply to all plans of survey of Dominion Lands heretofore registered in a Registry or Land Titles Offices as directed by Section 67 of the Dominion Lands Surveys Act, provided the lands in the roads, streets, public places or squares shown upon such plans are available.

Memorandum:

Mr. Deane.

Re part of Block 4, Townsite of Jarvie, Alberta. -Shown on plan to be reserved for public purposes

Mr. J.M.A. Jones, Secretary-Treasurer School Board of Jarvie, made application in October, 1913, for a parcel of land for a school site, and on the 15th October, 1913, the Surveyor General advised Mr. Jones as follows:-

"This parcel was laid out in order to comply with clause 11 of the regulations in regard to subdivision of land made by the Minister of Public Works for the province of Alberta under section 66a. of the Public Works Act. Upon the registration of the plan of survey of the townsite it is presumed that the parcel will come under the control of the Minister of Public Works and if it is desired to have it made available for school purposes, application should be made to him."

An Order in Council, dated the 27th February, 1914, states that under section 76 of the Dominion Lands Act, authorizing the Governor in Council to appropriate lands for public purposes, to order that every road, street, public place or square shown upon a plan of survey of Dominion Lands and the lands comprised in such road, street, public place or square, shall not be within the provisions of Chapter 120 of the Revised Statutes of Canada, 1906, shall, upon the said plan being registered in a Railway Land Titles Office (as directed by Section 67 of the Dominion Lands Surveys Act), be vested in the Crown in the right of the province, within which such road, street, public place or square is situated, provided that nothing herein contained shall be construed to vest in the Crown in the right of the province any lands situated in Dominion Parks.

This appears to be a general Order in Council and states that the lands "shall be vested", not are vested, consequently I think a specific Order in Council should be asked for authorizing the transferring of the above-mentioned block of land to the Provincial Government of Alberta. The question also arises as to whether the land should be transferred as a free grant or whether it should be sold at a Homestead Inspector's valuation.

I do not think any further O. in C. necessary because I understand O. in C. 7/2/14 does vest roads etc. in province — might add that I have discussed matter with Deputy Minister and he thinks

Your Files 4495602 - 4602090

Re Block 4, Subdivision of
Jarvie, Alta.

I have to acknowledge receipt of your letter of the 21st inst., in connection with the vesting of the Title of Block 4 in the above mentioned Plan in the Crown in the Right of the Province of Alberta, and note your remarks. In this connection I may say that the stand taken by the officials of the Land Titles Office, is to the effect that whilst this plan conforms to a large extent with Section 71 ~~Chapter 1 to 65~~ Cap. 133 - R.S.A. 1922., it is not actually registered under that Act, but is considered as having been filed in accordance with Section 67 of the Dominion Land Surveys Act. This is, I think correct as Section 71 refers to any owner sub-dividing land for which a Certificate of Title has been granted. Further, Section 79 of the same Act provides for the cancellation of the area shown on registered plan from the original and duplicate certificates of title and the issue of certificate of title for such lands in the Right of the Province. His contention is, that as there is no patent registered, covering the land in question he has no registered instrument from which he can issue certificate, and points out that in the event of lots in this Sub-division being sold, certificate of title can only be issued on the registration of the patent from the Crown.

I would ask that you give this matter further consideration, and in view of the statement given above would ask that you will have patent issued for the Block in question and forwarded to the Land Titles Office at Edmonton.

Since the Provincial L.T.O. wants an O-in-C. I see no objection to letting them have it. Also we might find it useful to have the precedent of an O-in-C. in each case to prevent trouble in the event of a mistake. Yours truly.

Re Part of Block 4, Townsite of Jarvie, Alberta.

With reference to my wire of even date, relative to an Order in Council dated the 27th day of July, 1923, authorizing a free grant of a parcel of land in the above mentioned block lying east of Second Avenue, as shown on the plan of the townsite of Jarvie as reserved for the Department of Public Works for the Province of Alberta, I beg to advise you that it has been noticed that more land is included in Block 4 than was reserved for the said Department of Public Works.

The descriptions of the parcel of land mentioned in the first and third paragraph of the Order in Council referred to do not quite agree. I would, therefore, request you to advise me whether in your opinion an amending Order in Council rectifying this ambiguity will be sufficient for your records, or whether it will be necessary for this Department to secure a revestment of the land in question from the Department of Public Works for the Province of Alberta and then have a revised Order in Council passed.

In reply to your letter of the 20th instant to the Registrar with regard to Order in Council No.1359, affecting the above pieces of land, I have to advise that the matter has been referred to me.

It is our opinion that the Order in Council passed under the provisions of Sub-section "g" of Section 76 of the Dominion Lands Act is not a matter to be recorded in this office and we are therefore not concerned with the descriptions contained therein.

In your letter you intimate that it is your opinion that by virtue of the Order in Council the Department of Public Works have received Title to the land in question, whereas my interpretation is that the land is simply set aside by the Order in Council, which setting aside may be revoked any time before Letters Patent have issued. Before this office can issue a Certificate of Title to the land in question Letters Patent must be registered here and Certificate of Title will issue in accordance with the description in the Letters Patent, if the same are in order.

I would suggest the following description for the Letters Patent covering the land intended to be dealt with:-

SUMMARY

Re Part of Block 4, Townsite of Carvie, Alta.

An Order in Council dated the 27th day of July, 1923, authorized a free grant, to the Department of Public Works of the Province of Alberta, of a parcel of land in Block 4 above mentioned, shown on the plan of the townsite as reserved for the said Department of Public Works. It has since been noticed that more land is included in the said Block 4, than was reserved for the Department of Public Works and consequently it is deemed advisable to have the said Order in Council rescinded.

No action was taken under the authority of this Order to vest title in the Provincial Authorities.

A new memo to Council, therefore, has been prepared giving a more comprehensive description of the parcel of land, to be granted to the Department of Public Works of the Province of Alberta, than in the said Order in Council of the 27th July, 1923, and which new Memorandum to Council is attached herewith.

Sir,

With reference to your letter of the 3 th ulti mo, your file No. 15939, relating to a roadway through township 53, ranges 19, 20 and 21, west of the 4th meridian, I beg to say that all of township 53, range 20, in included within the boundaries of the Jocking Lake Forest Reserve. Section 8 is patented to the Hudson Bay Company, but the title to all of the other lands in the township mentioned in your schedule and shown on the plan forwarded by you as being traversed by the road in question is vested in the Crown.

In regard to Section 8, I may say that although this section is patented to the Hudson Bay Company, that company was agreed to relinquish it in connection with the general surrender of their lands, where such are included within forest reserves. However, title has not yet been actually relinquished. I may say that this road comes under the provisions of the Forest Reserves and Parks Act, and not under the Acts dealing with roads outside of forest reserves. Section 9, Chapter 10 of the Dominion Forest Reserves Act of the Statutes of 1911, is as follows:

"Notwithstanding anything in this Act, the Governor in Council may cause to be established through and over any such reserve such roads as are necessary for the convenience of the public, and nothing in this Act or in any regulation made thereunder shall prevent the proper use of such roads by bona fide travellers or by others requiring to cross such reserve in pursuit of their ordinary business or calling; but nothing in this section shall operate to withdraw such roads from the reserve."

The above section was amended by Section 1, Chapter 4 of the Statutes of 1913, by adding at the end thereof, the following:

"Provided, however, that where, in addition to forest reserves outside of the area of any irrigation block or irrigation district established, it is not expedient for topographical or other reasons to use for public road purposes the existing road allowances, the title to which is vested in the Crown in the right of the Province, the Provincial Government may, by order of

With further reference to your letter of the 30th September, file 25959, I beg to advise you that the lands set out in the schedule annexed to your letter which are not within the limits of the Cooking Lake Forest Reserve have passed from the control of the Crown, they having been patented as follows:-

Sir:-

I am enclosing herewith a print showing relocation of roadway in Sections 13, 14, 15, 7, 8, 9 and 10, Tp. 53-20-4 replacing old surveyed road in this vicinity. The North boundary of the old road has been used as constituting the South boundary of the Elk Island Park.

It has been suggested that probably the most satisfactory adjustment in connection with this roadway would be to arrange for the Northerly limit of the newly surveyed road to be established as the Southerly limit of the Park and I have been assured by the Provincial Government Department of Lands and Mines that they would be prepared to make the necessary Transfers to the Dominion Government for the land lying to the North of new roadway and to the South of the old, provided that the Dominion Government would transfer to the Department of Lands and Mines the lands which are now shown to lie South of the new roadway and North of the old.

I have indicated on the print the old boundary in red and the new boundary in green and would be glad to be advised if some arrangement of this nature can be made. I presume that if this arrangement is satisfactory to you, the matter can be considered simply as a matter of exchange.

I shall be glad to receive early advice from you as to your approval of the above proposal.

Kindly see the letter of the 19th instant from the Director of Surveys, Department of Public Works, Edmonton, on file herewith. As the suggestion contained in this letter relates to the South boundary of Elk Island Park, it is requested that you furnish any remarks you may like to make in this connection.

It is expected that Cooking Lake Forest Reserve, which adjoins the Park on the South, will be turned over to the Dominion for the use of the Department of National Defence for a military reserve, and, consequently, that Department may also be interested in the proposed change in the boundary between the Park and the reserve, though the letter mentioned does not mention this situation.

We have no official plan of the new road recorded in this Department, and only one print, which is on file, has been received from the Province.

Sir,

Part Sec. 8-53-20-W.4th M.

Relating to your letter of the 19th November, 1934, in connection with the relocation of the road forming the boundary between Elk Island National Park and Cooking Lake Forest Reserve I beg to state that the section mentioned above was held by the Dominion under Duplicate Certificate of Title No. 193-M-62. This Certificate was requested by the Registrar at Edmonton and when it was forwarded to him this duplicate certificate was cancelled in full under consolidation when the old roadway was abandoned and a new title was written, and the duplicate of which No. 30-C-80 was received here. This latter duplicate certificate covers the whole of said section 8, and has 4.08 acres in the NE¼ and 4.08 acres in the NW¼ cancelled out for the new roadway under road plan 506 E V.

A request has been received from the National Parks of Canada to obtain a separate Duplicate Certificate of Title covering the portion of Section 8 lying to the North of the new roadway and the Surveyor to the Land Titles Office at Edmonton stated in a letter dated the 9th October, 1934, that he required the areas of the portions of Section 8 lying north of the new roadway to separate the same from the present title No. 30-C-80.

Will you kindly inform me therefore when it is expected that a copy of the official plan of this new road on linen bearing the Registrar's Certificate will be filed in this Department as requested in the departmental letter of the 29th October, 1934, addressed to you.

Dear Sir,

Re Cooking Lake forest reserve,
proposed military training area.
Your file No. 67-1-6

As you are aware, this Department has carried on negotiations with the Province of Alberta for the transfer to the Dominion of the lands comprising the Cooking Lake forest reserve required by your Department for military training grounds.

The requirements of the province were set by this Department preliminary to the proposed transfer. Subsequently, the provincial authorities advised that it would be necessary to delay the transfer pending the establishment of certain roads between Elk Island Park and Cooking Lake forest reserve and also along the eastern limit of the reserve.

Will you kindly inform me whether your Department has been advised by the Province concerning the transfer of Cooking Lake forest reserve to the Dominion for the use of your Department or whether the provincial authorities of Alberta have taken up with your Department the matter of the future disposition and administration of this reserve.

Yours very truly,

The Deputy Minister
of National Defence.
O t t a w a .

Deputy Minister.

transfer to the Dominion Government would be prepared and executed.

The transfer of the interests of the Dominion in the Forest Reserves in Alberta has been withheld pending the transfer of Cooking Lake Forest Reserve to the Dominion.

This Department has received renewed requests from time to time from the Department of National Defence to secure this Reserve and transfer it to that Department, the latest request being dated the 1st instant.

Mr. Purvis advised the Minister of this Department on the 4th December, 1933, that on checking over the issue he found certain changes would be necessary, and proceeds to refer to changes in certain roads that are to be made adding that the Provincial Division has this matter in hand.

On the 4th June, 1934, the Minister of this Department requested the Premier of Alberta to inform him whether the Province was yet in a position to formally transfer this Reserve.

On the 14th November, 1934, a print showing the relocation of the road between Elk Island Park and the Forest Reserve was forwarded here by the Director of Surveys, Department of Public Works, Edmonton. It is possible that the plan of this relocation is recorded in the Land Titles Office, Edmonton, under No. 346 R.D. On the 27th October last Mr. A. S. Johnson was requested to furnish this Department with an official copy of the said plan on linen bearing the usual Registrar's certificate. He replied in effect that he was withholding further action pending advice from the Department of Lands and Mines.

I might add that it may require an act of Dominion Parliament to change the south boundary of the Park and make the adjustments resulting, and therefore we must have the said plans showing the change in the road forming the said boundary, but this need not affect the transfer of the Forest Reserve to the Dominion.

This Department was advised by the Provincial Government that some changes were to be made in the roads on the eastern limit of the Forest Reserve. The Superintendent of the Provincial Division reported in a letter to this Department dated the 11th November last that his Deputy Minister had given instructions to proceed with the adjustment of these boundaries.

On the last instant the Department of National Defence requested this Department to follow up the negotiations with the Province for the transfer of this Forest Reserve to the Dominion for the purposes of the said Department.

Will you kindly see the Provincial authorities and ascertain what progress is being made in the transfer of this property to the Dominion for the Department of National Defence and furnish a full report.

Yours very truly,

H. Horne Turner,
Director.

Sir,

re No. of Tp. 32-19 W.4th M., sections 1 and 2, No. of Sec. 3, and Sections 9 to 36 inclusive in Tp. 33-20 W. 4th M., and the portion of Tp. 33-20 W. 4th M., lying south of Elk Island Park.

The lands described above comprised the Cooking Lake Forest Reserve.

Generally speaking, the Province of Alberta took over the administration of Forest Reserves in the Province of Alberta at the time of the transfer of the natural resources. It might be stated that the Dominion owns improvements and has expended public money of Canada on these Reserves and their administrative sites, and therefore has some claim on the areas improved under Clause (b) of Section 13 of the Natural Resources Agreement.

I might add that the Dominion has turned over to the Province since the transfer of the natural resources thousands of acres of various lands of which the former was the legal owner.

This Forest Reserve is required by the Department of National Defence for military training purposes. In order that there might be no doubt as to the ownership of the lands referred to, Premier Brownlee of Alberta advised the Minister of this Department on Aug. 14th, that he was quite prepared to confirm the reservation of Cooking Lake Forest Reserve for the Department of National Defence, having been requested to transfer it to the Dominion.

On the 13th December, 1935, the Premier of Alberta informed the Minister here that the Executive Council had instructed him to say that the Provincial authorities will be prepared to transfer to the Dominion Government the Cooking Lake Forest Reserve as soon as they have a proper description of the lands.

The Province was furnished with alternative descriptions of the lands to be transferred in order to meet its requirements as well as possible.

The Premier of Alberta acknowledged the receipt of the same and stated that he had handed the letter to the Minister of Lands and Mines in order that the proper

said Department of Lands and Mines as Plan No. 835 RD, continuously northward to the north boundary of the surveyed roadway produced across the said road allowance, as shown on plan of survey of the said roadway on file in the said Department of Public Works as Plan No. 9369, containing one and fifty-one hundredths (1.51) acres more or less.

With the above changes the area to be inserted in the last paragraph should be 148.78 acres.

As you are no doubt aware, it is necessary for the Department to have a special act of Parliament passed to change the south boundary of the Park and make the adjustments resulting from such change. This cannot be done until title to the lands which are to be included in the Park have been vested in the Crown in the right of the Dominion.

It is also important in order to properly describe the areas in the proposed Act which are to be withdrawn from the Park and transferred to the Province that the Department of Public Works file in this Department a certified copy on linen of Plan No. 12727.

I should, therefore, be glad if you would arrange for the transfer of title to the lands in question to the Dominion in order that we may be in a position to submit a Bill to Parliament to add the areas required for Park purposes and at the same time withdraw from the Park the areas to be transferred to the Province.

Your Ref. 493 Gen., 192 Gen.

Dear Mr. Harvie,-

I beg to acknowledge your letter of the 17th March enclosing a description of the lands including the minerals underlying same to be included in Elk Island National Park, in order to establish the new southern boundary of the Park.

The lands as described have been examined and meet our requirements for Park purposes with the following changes:-

The whole of Section 8, including the abandoned surveyed roadway, stands in the name of the Crown in the right of the Dominion under Duplicate Certificate of Title 30-C-80. Under the circumstances, it will be necessary to delete the areas described as thirdly, fourthly and twelfthly which will reduce the whole area being transferred by 44.43 acres.

In twenty-thirdly, the word "to" at the beginning of the sixth line should be "of".

In twenty-secondly, the words "produced across the said road allowance" should be inserted after the word "roadway" in the fifth line.

The intersection of the road allowance at the northeast corner of Section 9 is not included in either twenty-fourthly or twenty-fifthly, and is missed, whereas it should be included as shown coloured on the map which has been checked and found correct. The following description combines twenty-fourthly and twenty-fifthly, and includes the intersection, thus increasing the area to be transferred by one-tenth of an acre:-

Twenty-fourthly: All that portion of the Meridional road allowance between Sections 9 and 16 on the west and Sections 10 and 15 on the east, and extending from the northerly boundary of the surveyed roadway produced across the said road allowance, as shown upon a plan of survey of the said roadway on file in the said Department of Public Works as Plan No. 12723, and of record in the said

MEMO FOR FILE:

Re: Change in Southern Boundary of Elk Island National Park.

The attention of the National Parks Branch has been drawn to the fact that the Dominion Lands Administration of the Department are endeavouring to obtain a transfer from the province of Alberta to the Dominion of the balance of the Cooking Lake Forest Reserve, which apparently was transferred to the province in error as it was intended to be reserved for a military training ground. Therefore, in dealing with the proposed exchange to adjust the park boundary, no transfer of any lands at present within the park should be made to the province until the question of the transfer of the Cooking Lake Forest Reserve has been finally decided.

Correspondence is being carried on between National Parks Branch and Alberta respecting the lands required to be added to the National Park and the parcels cut off from the Park as established by Statute by the intervening travelled road separating the Island Park from the adjoining Lake Forest Reserve.

The descriptions of the various parcels contain reference to the plan of the road which is not yet recorded in the Land Titles Office at Calgary, but it will be recorded there, it is expected, when it is certain that the lands in the said descriptions are those to meet the requirements and that no change is necessary.

It is not likely that the Forest Reserve will be returned to the Crown until the plan of the said road is recorded in the Land Titles Office as well as the plan showing the road diversions on the west boundary of the Forest Reserve.

Dominion Land Forest Reserve required by Department of National Defence.

With reference to the Deputy Minister's memorandum of the 21st instant herewith, I beg to state that in accordance with the instructions contained in the Deputy Minister's memorandum of the 1st February last, the letter of the 10th February last hereunder, carried, which contains a review of the situation, was forwarded to Mr. Mor ay.

Mr. Mor ay called on Mr. [illegible] the Department's letter quoted above and followed up this action by addressing a letter to him on the 17th February last, requesting copies of the official road plans forming portions of the boundaries of the forest reserve as recently surveyed, and, adding that it was important that he was anxious to have this forest reserve veiled in the condition as the Department of National Defence was desiring for it.

On the 20th February last Mr. Mor ay reported that he got in touch with Honourable C. explained the matter to him, and stressed the fact that the Department was anxious for a forest reserve as quickly as possible.

The national parks branch was negotiating for some time with the province for the transfer to the Dominion of portions of the forest reserve to be included in the Island Park by the proposed extension of a new south boundary of the Park. It was brought to the attention of National Parks Branch on the 1st May last that no transfer to the province of land now at present within the Park should be made until the question of a transfer of coaling lands for the reserve to the Dominion has been settled.

It is observed that the line of the proposed new boundary between the Park and forest reserve was forwarded by the province to D.O.S. Ottawa on the 15th June last and was received in this Department under No. 39113 (File 3.2-1 Dom. Parks).

By Provincial Order in Council No. 955/36 dated 30th June, 1936, the certain small parcels of land in the forest reserve annexed to the Park by the change in the south boundary of the Park were transferred to the Dominion.

No plan showing the diversions of the original road allowances forming the west boundary of the forest reserve has been received as yet, and the portion of the forest reserve required for the use of the Department of National Defence has not yet been transferred to the Dominion. The second paragraph of a letter addressed to Mr. J. [illegible] dated the 24th July reads as follows:-

"It is noted that at the first opportunity a still will be submitted to your Government to withdraw from the Park the areas to be transferred to the Province."

Permission as a last resort to obtain possession of the forest reserve the Department of National Defence could expropriate the land required.

T.A.

The Province could have turned over to the Dominion all the lands required for National Defence and Parks and adjustments of the areas could have been made here it [illegible]rs, and title to the new road between the Park and Forest Reserve would have been vested in the Province in the Crown.

Sir:

I beg to acknowledge receipt of your letter of the 1st inst., file No.1232-[illegible], from which it would appear that George E. Hamilton is insane, and has been committed to the Provincial Asylum.

I would inform you that this man filed on the S.E. 12-[illegible]-13-W.4th Mer. as a Soldier Settler, on the 29th September last, and on the N.E. ¼ Quarter of the same section as a Soldier Grant, on the 21st inst.

The two quarter sections still stand in his name, and unless he went into residence immediately after filing, it is hardly likely that he has performed any duties in connection with these entries. Perhaps you will kindly advise me if it is considered that this entrant is permanently insane, or if he is likely to recover in the near future.

Sir:

I beg to acknowledge receipt of your letter of the 1st inst., File No. 2773-L, with further reference to Mr. George P. Hamilton, who filed on the N. E. and the S. E. quarters of 12-60-13-W.4th Mer., as his homestead and soldier grant.

It is noted you state that the Medical Superintendent of the Provincial Mental Hospital, at Ponoka has advised you that the entrant suffers from the most abject delusions of grandeur, and that the prognosis is bad.

Under the circumstances, I would suggest that you advise this office as soon as possible, as to whether or not the estate will take arrangements to have the cultivation and improvement duties performed as required by the regulations.

George Patterson Hamilton (insane).

Mr. A.G. Browning, Deputy Attorney General, has recently written that as Mr. Hamilton is a man fifty-three years of age and not likely to recover, it does not seem to be worth while to attempt to carry out the settlement duties. Mr. Browning adds that he is afraid that application will have to be abandoned.

As cancellation proceedings are not outstanding, I presume the matter may be allowed to stand.

I believe the Dept would be justified in instituting cancellation proceedings, as there appears to be nothing to be gained by delay.

Possibly it may be desired to hold the matter over for say 6 months to see if there are any new developments.

Memorandum.

Mr. Hume.

N.E.¼ 12-60-13-W.4th Mer.- Homestead.
S.E.¼ 12-60-13-W.4th Mer.- Soldier Grant.
Entries - George P. Hamilton.
Obtained entries - 29th September, 1921.

In connection with these entries Mr. A.C. Browning, Deputy Attorney General, on the 15th April, 1922, stated that this man was fifty-three years of age and was mentally incompetent and not likely to recover. He further stated that it did not seem to be worth while to attempt to carry out the settlement duties and he was afraid that the entries would have to be abandoned.

The case was submitted on the 3rd May, 1922, and your recommendation was approved that the matter be held over for six months to see if there were any new developments. Mr. Browning was advised accordingly.

In connection with the homestead entry, the N.E.¼ 12-60-13-W.4th Mer., Inspector Doze under date of the 24th July last reported no cultivation or improvements. He further stated that there was a church building on this land in which regular services are held. This point will be taken up with the Patent Branch as per Mr. Caldwell's memorandum of the 13th instant.

Cancellation proceedings were instituted against the S.E.¼ 12-60-13-W.4th Mer., the soldier grant entry, on the 17th March last. No defence has been filed.

It is possible that the soldier grant entry might now be cancelled and cancellation proceedings instituted against the ~~homestead.~~ It might be advisable, however, to again get in touch with the administrator of Lunatics' Estates and ascertain the mental condition of this man.

ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

(1) of Canada—and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,

(2) of His Majesty or of any of His Majesty's Allies—and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

(3) of His Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force, or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the morning of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described has not been entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations

MEMORANDUM:

Mr. Meek.

Re: Sale to E. Jacobson of 9.1 acres of NE. 5-45-16-4 which is included in Drainage District No.4 in the Province of Alberta.

Mr. Jacobson has in letter of the 19th inst., hereunder, requested that we look into this matter and advise him if patent for the land may be issued to him now or the moneys already paid be refunded.

It appears from Head Office File 4804826, herewith, that in 19[illegible] after the land had been drained, Mr. Jacobson, as registered owner of the NE. 5-45-16-4, was allowed to purchase this area as a time sale at $5.00 per acre. No agreement was executed and when, on March 31st, 1925, he remitted the $45.50 in full payment he was informed that a balance of $8.54 accrued interest was still due. He claims that the sale should not run from the date of the department's offer and that this interest should not be charged, but this is beyond the province of this branch.

However, Mr. Jacobson's land is included in Drainage District No. 4 and he is being assessed for his share of the cost of constructing and maintaining the drainage works. He should, therefore, be accorded the same privilege as other owners of Provincial lands in the district, namely, the right to purchase the accrued area at a rate of $1.00 per acre under the provisions of Section 6 of Part VII of the Drainage Regulations. Moreover, in the draining of Palmer Lake in tp. [illegible]-6-4, File 4106-R.S., Messrs. J. Selkirk and David Mc Nee, riparian owners, had both purchased portions of the former lake bed as time sales at $5.00 per acre, and in consideration of their having borne their share of the cost of draining the lake, these time sales were revoked and they were allowed to purchase at $1.00 per acre under the Drainage Regulations.

In view of this it is recommended that the time sale of 9.1 acres of the NE. 5-45-16-4 to Mr. E. Jacobson be revoked and that he be allowed to purchase the area at the rate of $1.00 per acre under the provisions of the Drainage Regulations, providing that any accrued drainage taxes on this area have been adjusted satisfactorily with the Chairman of the Alberta Drainage Council.

Re Sale to E. Jacobson of 9.1 acres of NE.¼ 5-45-16-W. 4th M., which is included in Drainage District No. 4 in the Province of Alberta.

Memorandum.

Mr. Matheson.

In view of the circumstances of this case, and as suggested in the memorandum hereunder, the Time Sale to Mr. Jacobson might be revoked and he might be allowed to purchase the area of 9.1 acres at the rate of $1.00 an acre, subject to the payment of a patent fee, provided that any accrued drainage taxes on this area have been adjusted satisfactorily with the Chairman of the Alberta Drainage Council.

Ottawa, October 21, 1924.

Memorandum:

Mr. York,

On the 19th of July, 1921, the Agent of Dominion Lands at Edmonton, Alberta, was advised that fractional Legal Subdivisions 4, 5 and 12 of Section 32, the North-East quarter of Legal Subdivision 8, and the North half of Legal Subdivision 9 of Section 31, Township 57, Range 9 West of the 4th Meridian, had been reserved for general grazing purposes.

On H.O. File #4,610,774, Mr. Gliddon has drawn attention to a letter from the Agent, which reads as follows:-

"Mr. Pierre Charron, a Rancher at
"St. de Metis, Alberta, is very anxious to pur-
"chase the fractional West half of 32-57-9 West
"4th M., which is under reservation for public
"grazing; Mr. Charron states that there is no
"more necessity for such reservation the public
"having no more use for same; the area of this
"half section is as follows :- fractional North
"West 47.01 acres; fractional South West 41.6
"acres, total 88.7 acres.

"Mr. Charron would like the Department
"to order another inspection of the above land by
"the Inspector who would decide as to whether the
"reservation should be continued or not."

From the letter just quoted, it appears that Mr. Pierre Charron, a rancher at St. Paul de Métis, is desirous of purchasing the fractional West half of Section 32, Township 57, Range 9 West of the 4th Meridian, which is under reservation for public grazing purposes. This land would be fractional Legal Subdivisions 4, 5 and 12 of said Section 32, comprising an area of 58.1 acres.

The matter is respectfully submitted for your instructions as to whether or not an inspection of this land may be authorized with a view to ascertaining if the reservation is now necessary, and Mr. Gliddon advised the action taken.

Sir,-

I beg to request you to have an Inspector furnish a report at the earliest possible opportunity covering fractional Legal Subdivisions 4, 5 and 12 of Section 32, the North-East quarter of Legal Subdivision 8 and the North half of Legal Subdivision 9 of Section 31, Township 57, Range 9 West of the 4th Meridian, which lands were reserved for general grazing purposes on the 19th of July, 1921.

The report called for should state whether or not, in the opinion of the Inspector, the reservation for general grazing purposes is now necessary, also whether or not the lands in question are suitable for agricultural purposes or for homesteading under the stock clause of the Homestead Regulations.

I might add for your information that an application has been received from Mr. Pierre Charron of St. Paul de Métis, Alberta, to purchase said fractional Legal Subdivisions 4, 5 and 12 of Section 32, and the Inspector should state the actual value per acre of the lands, taking into consideration, of course, the value of surrounding lands, and of privately owned lands in the vicinity. The Inspector should also endeavour to ascertain whether Mr. Charron owns any lands adjoining those mentioned, and must state what disposition should be made of the lands above quoted.

balance due of $16.00 referring to Mr. Charron as the purchaser of the land from Lawrence Garneau.

As I have already mentioned, in view of all these facts and of the interpretation which I put on your recommendation to the Deputy Minister, I considered that no further action in the matter was necessary and that patent should, in view of the Deputy Minister's approval of your recommendation, be issued to Mr. Charron.

However, in view of my apparent mis-interpretation of your recommendation, there would appear to be open to the Department one of the two following courses, and I would request you to kindly state which action, if either, you desire to have taken, other persons having enquired respecting the disposal of the land, Mr. La Rue in his letter of the 20th ultimo also having enquired as to what further action requires to be taken in order that letters patent might be issued to Mr. Charron.

It appears that Mr. Charron should either have filed here an assignment from Mr. Garneau to himself of the former's rights and interests in the said portion, coloured green, when the issue of letters patent to him therefor might be proceeded with, or that the sale to Mr. Garneau might be cancelled, the money ($67.85) paid by him to be forfeited to the Crown, the land then entered in our records as a sale in Mr. Charron's name, in which event, he would require to be advised that upon completion of the payment of the balance which would then be due, letters patent would be issued to him.

LAND PATENTS BRANCH

OTTAWA, 30th September, 1925.

Memorandum;

N.E., of 31--57--9, W. 4th M.

With reference to the sale of that portion of the quarter section above referred to, coloured green on the sketch marked on file 4610774, to Mr. Lawrence Garneau, I beg to say that in accordance with my recommendations as contained in my memorandum of the 16th July last, marked, letters patent were issued for the said portion, coloured green in favour of Mr. Pierre Charron, the same having subsequently been cancelled.

May I point out in this connection that I made such recommendation in view of the interpretation which I put on your recommendation to the Deputy Minister on the memorandum of the 26th June last, and, under the circumstances, it seems to me that such action on my part may be considered justifiable. In this connection I would call your attention to the fact that Mr. Garneau was permitted to purchase the land in question subject to his filing evidence of ownership of that portion of the said quarter section shown on the sketch outlined in red. Mr. Garneau failed to comply with this requirement and made payment only on account of the sale of $67.85.

Mr. Charron had in the meantime made payment of the sum of $250.00 in connection with his desire to acquire the said portion coloured green, and in his letter of the 18th June Mr. Gilbert La Rue, on behalf of Mr. Charron, forwarded the balance.....

N.C. Coté, Esq., I.S.O.,

Dear Sir:

Re: East Half 31-57-9 W. 4th Meridian.

Pierre Charron has purchased the residue, that is the unpatented balance of the East Half of Section 31, above described, and in the preparation of a legal description of this residue difficulty has arisen due to the fact that two Fiats have been issued by the Dominion Government covering the same areas of land. These Fiats, one dated the 31st of July, 1925, and the other dated the 15th of January, 1926, cover:

Firstly: The North Half of Legal Subdivision 13 of Section 32 of Township 57, Range 9, West of the 4th Meridian, excepting thereout the land formerly patented to Desjarlais. The land so described containing 11.30 acres, more or less.

Secondly: Legal Subdivisions 15 and 16 of Section 31, Township 57, Range 9, West of the 4th Meridian, containing 80 acres, excepting the area previously transferred to Desjarlais. The land so described containing 50.80 acres, more or less.

Photostat copies of these two Fiats are herewith enclosed for your inspection.

Upon further checking with the Land Titles Office to obtain information regarding these two Fiats it is revealed that no patent covering the lands described in these Fiats has ever been received and, of course, no Certificate of Title is in existence.

As the records in connection with this land seem to be somewhat irregular it would be appreciated if you would search your records and let me have the fullest details in order that we may proceed to issue a correct Notification for the residue in this Half Section.

Yours very truly,

T. W. Dalkin,

Your H.f. 330.

Sir:-

Referring to your letter of the 14th instant, requesting to be advised if scrip will issue to William McDonald of Fort McMurray, in satisfaction of irregular Jackfish Island, Lot 27, 5 and 15 years, respectively, I beg to inform you that no application for Half Breed Scrip has been made for or on behalf of James William McDonald, and that there is now no authority in force for Half Breed scrip which could be issued by the Department at present. Further particulars regarding this matter are given in the earlier application mentioned.

The application of William McDonald in connection with Lot 27, Township 89, Range 10, West of the 4th Meridian, was satisfied by scrip No. A.10195 for 160 acres and A.10200 for 80 acres which were issued in his favour.

Scrip Note No. A.10195 was located on the 7th February, 1913, on the N.E. ¼ of Section 27, Township 89, Range 10, West of the 4th Meridian, and was transferred by William McDonald, in his capacity as executor of Pierre McDonald, on the 6th February, 1913, to Hiram Grant of Edmonton, to whom the patent therefor was issued on the 7th May, 1913.

Scrip Note No. A.10200 for 80 acres was located on the 7th February, 1913, on the S.E. ¼ of Lot 15, Township 89, Range 10, West of the 4th Meridian, which was transferred by William McDonald in his capacity as executor of Pierre McDonald, on the same day, to Henry J. Harrison of Moyeroft, Alberta, to whom the patent was issued on the 27th August, 1913.

but without success and the usual Thirty Day Notice was issued on the 10th June of that year, to which no defence was filed.

The settler's indebtedness to the Board amounts to $1926.21. The homestead was appraised in June 1927, at $395.00 and the soldier grant at $374.00. No arrangements have been made for the disposal of this land and no offers received.

The Board states that the request for title is not affected by the recent amendment to Section 26 of the Soldier Settlement Act as the advances were approved and made subsequent to the date of entry.

In order to recoup itself for the amount which remains unpaid the Board must realize on the above land, and consequently submits the attached Vesting Order under the provisions of Section 27 of the Soldier Settlement Act for your signature. In view of the circumstances set forth in the Board's memorandum, I have initialled the Order.

Respectfully submitted,

1st February, 1930.

Soldier Loan ($2007.96) advanced after entry.

Mr. Larsen obtained homestead entry on the 15th May, 1911, and soldier grant entry on the 9th November, 1911, and for the obtaining of patent for same he was required to complete one year's residence and cultivation duties in each of three years. He remunerated his entries by securing advances from the Soldier Settlement Board as follows:

Amount of Loan	$2007.96
Purpose -- Permanent improvements	$ 369.18
Stock and equipment	$1562.85
Special advances	$ 75.93
Amount outstanding	
Estimated sale price	$1928.31
Loss	$ 769.00

The Board holds no other land security.

The Board reports that the settler is stated to have spent all his private capital endeavoring to drill a well. He left his farm early in 1924 for the purpose of working out after selling his stock and equipment and turning the proceeds over to the Board. The Field Supervisor reported that the settler's failing was that he could not save money. Efforts were made to get in touch with the settler during 1926

MEMORANDUM:-

Referring to your memorandum of Nov. 4, files Nos. 4439768 and 3505504, Attawapiskat Lake Settlement was surveyed by Mr. [illegible] Belanger, D.L.S., in 1914.

A statutory declaration taken from Jos. Whitehead for lot 15 is the only one received from the surveyor. It was sent to your Branch on February 13, 1915.

In connection with the persons in occupation of the lands and the lands under cultivation he reported as follows:-

"I believe it is my duty to inform you that the applicants for this survey are not bona fide settlers. Four of them are fur traders, two represent the Anglican and Roman Catholic Missions, and the remainder are trappers who are not making any farming. All the claimants expect to obtain the land they claim as free grant or by purchasing it."

([illegible]) [illegible] Deville,

[illegible] Surveyor General.

[illegible]

[illegible]

[illegible], 1914.

The settlement comprises only sixteen lots varying in area from twelve to about eighty acres and divided in such a manner as to give to every claimant, as nearly as possible, all his improvements and a frontage on the lake, the latter being most urgently required by the settlers who for the greater part do not care for farming on a large scale; they only do a little gardening in that line, their main occupation being fishing and trapping. Two lots were surveyed for the Anglican and Roman Catholic missions. The former keeps a school for the Indians and besides has made considerable improvements in gardening and buildings of all kinds. The Roman Catholic mission has no improvement other than a building used for church purposes where services are held monthly, there being no one in permanent residence.

[illegible] four fur traders, Messrs. [illegible]evillon Freres, [illegible]aurice, [illegible]ermo, and [illegible]esjarl is [illegible] claimed lots in the settlement. Three of these traders, the missionaries, and the school teachers are the only white men in the place; the remainder are half-breeds and Indians.

Attikumisis lake lies a very short distance west of Attikumek lake, and on the settlement is situated between these two lakes, which are full of white fish, pickerel, and pike, the settlers find at their doors all the food necessary for their living. The proximity of these lakes as well as smaller lakes in tp. 80-14-5, and Attikumek river would prove of great advantage to intending settlers in the [illegible]0 ranges 11 and 12 who could maintain a steady income during the winter months by fishing.

[illegible]ith the exception of a small portion near the lake front, the settlement is heavily timbered with wood of all kinds, most of which is very suitable for building purposes. The land is first-class and when cleared will produce all kinds of cereals and vegetables. It is well watered at its front by Attikumisis lake, and by a good sized stream of fresh water locally known as Milk creek which runs across lots 6, 7, [illegible], etc., and empties into the lake.

"Courtecreille acquires those stables [illegible] after the
"time of survey, I consider that while Mr. Courtecreille has
"no real interest in Lot 7 I would recommend that if it is
"seen fit to allow Mr. Courtecreille to purchase all or part of

"but there is no [illegible] objection to this being done as
"occupied by some Indians. I understand that [illegible] terrible
"the Met. [illegible] is connection and he informed me
"that he would not recommend it for [illegible] reasons."

A plan on which the Homestead Inspector has indicated the improvements and the owners thereof in connection with lots [illegible] and is on file herewith. It shows that Mr. Courtecreille's house is located on Lot [illegible] and that the two stables located on Lot 7.

Under the provisions of the Order in Council passed on the 24th [illegible], the Minister was authorized to dispose of

lots

lots in the [illegible] Northern settlements to the respective applicants therefor without such lots having been previously inspected and [illegible] at a price not less than $3.00 per acre. As the present Inspector has valued these lands at $4.00 per acre and reports that there are no Indians now residing on these lots, I beg to recommend that Mr. Abraham Courtecreille be granted permission to select either Lot 7 or Lot 6 mentioned above and to purchase the lot selected at the rate of $4.00 per acre, but it might possibly be as well to confine him to Lot 7 unless he is prepared to pay for the value of the two buildings on it. Lot 6 on which the Inspector has valued at $1[illegible].00.

Sir,-

Re Lot in Athabasca Lake Settlement,
formerly claimed by Mr. Albert Whitehead.

A letter dated the 30th June last has been received from Mr. Alex. Sutherland in which he expresses a desire to acquire Lot 10 which he states was claimed by Mr. Albert Whitehead. According to the departmental records Lot 11 was claimed by Albert Whitehead. In this connection kindly refer to the departmental letter of the 6th December, 1932, addressed to Albert Whitehead, a copy of which was forwarded to you also to the Homestead Inspector's report accompanying your letter of the 30th August, 1932, file 3082 Tr.

I am enclosing herewith for your information a copy of the application of Mr. Alex. Sutherland dated the 30th June last. Will you kindly endeavour to ascertain whether Mr. Albert Whitehead still claims Lot 11 also what improvements he has made thereon and the value of the same and any other information in this connection which you may be able to furnish.

In reference to your letter of the 6th June last (duly acknowledged) in regard to the lot formerly owned by Mr. Hart Stoland as stated that this was lot No. 10, containing 160 acres, I beg to say that according to the departmental records the lot owned by Mr. Stoland was No. 1, containing 160 acres, and not No. 10 was owned by Mr. Jens Olsen. It is presumed, however, that as you refer to the lot formerly claimed by Mr. Stoland, lot No. 1 is, therefore, the one that you wish to buy. You should advise this department shortly, that in event, we have receipt of your reply your application will receive fair consideration.

"Attached are Forms "A" in duplicate of r. "Albert Whitehead also r. Alex. Sutherland in which "the latter relinquishes his claim in favour of the "former on certain conditions.

"hy r. Sutherland was willing to forego his "interests in the improvements on such low conditions "is also unexplainable but both sides are apparently "satisfied."

Two statutory declarations accompanied the Homestead Inspector's report quoted above. These read as follows:-

"I, Albert Whitehead, of Atikamisis Lake, "Province of Alberta, do solemnly declare that in "consideration of r. Alex. Sutherland waiving his "claim to the improvements erected on Lot 12, Atikamisis "Lake, I am prepared to transfer to him one room re "and one set of harness (double)."

(Sgd) Albert Whitehead."

"I, Alexander Sutherland, of Atikamisis Lake, "Province of Alberta, do solemnly declare that if it is "decided to grant Lot 12, Atikamisis Lake, to r. Albert "Whitehead, I am prepared to abandon my claim for the "improvements erected thereon by myself in consideration "of r. Albert Whitehead transferring one room re and "one set of harness (double).

(Sgd) Alexander Sutherland)."

The extinguishment of the Indian title in this locality was completed in 1906 (Treaty No. 8). If it is decided that the evidence furnished by r. Albert Whitehead of his occupancy of his lot at the date of the extinguishment of the Indian title, is satisfactory, the authority of the Governor in Council sanctioning a free grant of Lot 12 and for the issue of patent for the same to Albert Whitehead might be obtained under the provisions of section [illegible] of the Dominion Lands Act.

I may add that a declaration made by Paul Whitehead, son of Albert Whitehead, before Mr. F.A. Conroy, Treaty Commissioner, on the 11th September 1908, in support of the application of the former for halfbreed Scrip, sets forth that he was born at Whitefish Lake (now known as Atikamisis Lake) in 1894, that his father, Albert Whitehead, a halfbreed, received Scrip in June 1899, at Lesser Slave Lake and that he, Paul Whitehead, has lived at and around Whitefish Lake since his birth.

"I, Albert Whitehead of the District of
"Atikamisis Lake, rovince of Alberta, do solemnly
"declare that my father Michel Whitehead lived on this
"land a number of years before his death which occurred
"during 1867 and I have occupied the land ever since.
"I go hunting during the winter and live on it during
"the summer. My family have liv d on it practically
"all the time. Last winter they were with me at Prairie
"Lake and when I returned home January 1st, 1926, I found
"that Mac. Sutherland was using my house as a stable and
"had built a house of his own. The buildings my father
"used were done and I built the 3 low buildings which
"are on the lot now, I value them at $50.00. I have
"also cleared about 4 acres which I use for a garden.
"Mr. Sutherland offered me $ for my
"house down but I refused, I
"grant so that I may continue to live on it."

Two statutory declarations dated the 4th March, 1926, corroborating that made by Mr. Whitehead, have been made by William Belfoux and Joseph Whitehead and read as follows:-

"I, Joseph Whitehead, of Lot 12, Atikamisis
"Lake settlement, rovince of Alberta, do solemnly
"declare that I know that Albert Whitehead was born on
"Lot 12 and has resided on Lot 12 regularly yearly up to
"the last four years, also that Albert Whitehead was in
"occupation at date of conclusion of the Indian Treaty in
"this district in 1899."

(Sgd) "Joseph Whitehead."

"I, William Belfoux of Brownard, rovince of
"Alberta, do solemnly declare that I know that Albert White-
"head was born on Lot 12 and that he has resided on Lot 12
"regularly yearly up to the last four years, also that
"Albert Whitehead was in occupation at date of conclusion
"of the Indian Treaty in this district in 1899.

(Sgd) William Belfoux."

A Homestead Inspector's report dated the 27th ultimo has been received. It reads as follows:-

"I have interviewed Mr. Albert Whitehead
"again in the presence of three good interpreters.
"There would appear to be a number of
"errors in declaration of Mr. Whitehead of February 24th,
"which he attributes to not being interpreted correctly.
"Mr. Albert Whitehead states that he was
"born on this lot 60 years ago and that his father lived
"there continuously until his death four years ago. He
"also states that for the last eleven years he has himself
"lived on this lot about one month in each year
"There is less than half an acre of land
"cleared. Mr. Albert Whitehead at its that he sold the
"only building of his on this lot to Mr. Alex. Sutherland
"for $25.00 and that he informed him also that he did not
"require the lot. In vie of this Mr. Sutherland erected
"the other buildings enumerated in my revious report.
"Mr. Whitehead could give no explanation for changing his
"mind and now requiring the lot for a free grant.

Madam,

I am in reference to your application to be permitted to make entry for a homestead as the sole head of a family. I am directed to say that the question whether Mixed Grove applied, is one to be settled for the Department to be satisfied that such location is not [illegible] for the exploitation of timber or [illegible] and not [illegible] for settlement, and under the circumstances the application is not granted.

I might ask for your further information, in such matters but even had the Agreement been entered into at this date sufficiently long ago to grant any application to the effect mentioned in the [illegible], it would be necessary to obtain Letters of [illegible] from the proper District Court before these [illegible].

Dear Sir:-

as disclosed by Mr.Archer may justify a departure from the rule. The following is a quotation from Mr.Archer's letter:-

"Mrs.Hewitt has been known to the writer since 1917, when she purchased a farm in this district for her brother Milroy English, the father of Hazel Grace English the adopted child of Mrs.Hewitt.
Mr. and Mrs. English are poor people and dependent on Mrs.Hewitt to a very large extent, in fact Mrs.Hewitt owns nearly everything they have. I understand that some months ago that Mrs.Hewitt agreed to adopt one of the minor children of the English family, and came to me in January last to have adoption papers prepared, having been informed that the Dominion Land Office would require some evidence in writing of the bona fide of the adoption.
The adoption of the child had been formerly made, some considerable time, and Mrs.Hewitt has complete control over the said child and will give her a thorough education. She does not however wish to incur additional costs, unless she will derive some benefit therefrom, for the benefit of the child. In the event of her making application to the Office for Letters of Adoption, would you then grant her the right to make entry for homestead

Memorandum:

Mr. Hume.

I submit for consideration the application of Mrs. Gertrude Hewitt of Lake Saskatoon, Alberta, to make entry for a homestead as the sole head of a family in accordance with the provisions of s.s.3 of Section 3 of the Dominion Lands Act which reads as follows:-

"In the case of any woman who, claiming
"to be the sole head of a family, makes
"application for entry for a homestead,
"the question arises as to her status as
"sole head of a family, the Minister
"may decide whether or not the applicant shall
"be granted or refused."

exception of the affidavit of the applicant that Mrs. Hewitt Hazel Grace Hewitt, to the effect that she had adopted Ada Mary Hewitt, the infant daughter of Wilfrid Hewitt respectively and is still the sister-in-law of the applicant by adoption between herself and the parents of the child.

The Hon. Frank Oliver, the Minister of the Interior, has held it to be as a rule that in the case of women claiming the privilege of homestead entry by adoption it would require to be clearly established that the adoption was not made for the express purpose of qualifying the applicant for entry under the Act. Under the circumstances Mrs. Hewitt was advised on the 5th February last that the adoption was of too recent date to satisfy the Department that it was not made for the express purpose of obtaining a homestead and that in any event she would require to obtain Letters of Adoption from the Judge of the District Court and have same duly filed.

Mr. Archer, Barrister of Lake Saskatoon, on behalf of Mrs. Hewitt in which he asks to be advised whether the Department is prepared to further consider the application provided Mrs. Hewitt obtains the child in legal form as suggested in the Head Office letter above referred to. If the principle underlying the ruling given by the Minister above referred to was a reasonable one under the circumstances, and I think it was, then it would appear that no matter whether Mrs. Hewitt obtained Letters of Adoption or not, she should not be granted the privilege of obtaining a homestead at present at any rate.

However, the circumstances of the case

he turned in with the other property to McMahon to make a first payment.McMahon had purchased the 1½ sections of land cheap, and was getting about a $10 an acre profit.This on about nine hundred acres meant $9,000 profit.After selling the Lulu Island property it would leave him the other property practically clear gain.But this was not the case in our deal.I was sacrificing and underselling my property several thousand dollars below its value,thereby expecting to make it practically a cash deal,and it was our understanding,that the McMahon property was figured up and taken in on a cash basis and no other.None of McMahon's smooth stories that we now find in the appeal book,of trading and throwing in property,ever took place in our deal,as I was putting my whole property down to a rock-bottom cash deal.

I note the big frame-up in the appeal,where McMahon says, "not a word of the Port Angeles,Wn. lot had been said."This is a straight,dirty lie, as I have three witnesses,whenhe drove to my house the second day after Mr.Kimble had sent him to me.He was polishing up the different properties out there,when he spoke of Washington."Only one lot," I said,"Better not have too much town property."He said,"We are putting everything in on a cash basis, and I must figure on this lot at $600 to make up $13000.This is really the best and cheapest property I have,as it lies on the steamboat harbor,and should bring more money.As the city grows, this lot will become very valuable.You would be very foolish, not to let me figure in this lot."This was on Friday afternoon, in June,in my house.In the appeal book,he has changed all his stories and tried to cover all his fraud.He was able to ring in my Etzikom agents,to help him betray me and play the "Judas" game,and also barr the other two prime witnesses there from giving any evidence at all.

Well,Andrew,I have tried to tell you a few things that have taken place in my deal with Mart McMahon.He has been able to swing and ring in any and everything to his wishes in the courts so far,and does not fear man,God or the Devil.What can we do in a case of this kind?When I start to read the appeal book, and see how all the truth has beenreversed,and the whole appeal book has been more or less worked over,to try to clear and cover McMahon's fraud,it just about makes me sick.

With kidest love from your brother,

HM/c

wells,etc.etc.,besides 300 acres mostly plowed ready for crop.this section of land should have brought no less than $50 per acre with out buildings or fences.McMahon and his ring,learning of my two witnesses arriving there in court to testify as to the vaulations of the property and comparing my sale with sales in that neighborhood,it would show that I was sacrificing six to eight thousand dollars.These two witnesses were barred in court,the same as half of my file was charged or barred.

You will also note in the appeal where my evidence has been jeopardized,and the attorneys are trying to confirm some of my betrayer's work.After most of the papers and title s had been signed up,and we were waiting for McMahon and his wife to sign up the Port Angeles,Wn.,title and my Crown lease papers,which McMahon had taken with him to Lethbridge to be returned,so we could go ahead and write up the lease forms,which my attorney later did. However,these papers were not returned until late next spring, and a new framcup in leare forms had taken place,thereby,again delaying matters .While at Atzikoki,my wife would frequently bring up the question as to what would be the best to do,since we were so close to the Coast,and before going east she would like to see her new home.In my opinion,this was only good judgement,and even if I had told Mr.Sargent,that my wife still was anxious to see her new home,the deal was over and this was her business and not unreasonable either.

The same applys to Mutsey's story;mostly a framcup between he and McMahon,and a lot added and changed while being testified in the appeal book.Mr.Mutsy knowing very well,that no such testimony took place in our little visit.As the bigger part of his evidence shows,when I got thru talking about the comforts in living out there,as this was what Mcmahon had me stop and visit Mutsey for;before leaving.I said,"that is property selling at in your neighborhood?"He answered,"There has none been sold in the near neighborhood,and the McMahon house was guaranteed to be built only 4 years.He confirmed this a dozen times to me,and my wife.He furnished the court with the evidence of seven different people, running from around $3,50[illegible] for the cosiined coast properties,but a larger portion of the evidence was not produced and was kept under cover.Now,the truth and straight facts are,that this old house is right around thirty years old,but about fifteen years ago it was sided over and a new porch built on,also nicely painted up,but the main part was neglected,as the sills were all rotten and should have been renewed.A hole had been dug under one corner and boarded up again,to keep the dirt from caving in,and a small heating plant stuck under,only heating a part of the house.I might [illegible]he only house that has been sold in the near neighborsouth on the same street,a little closer to the park, res houses east from ours,with good foundations and ms,about the same size and about 6 rooms,sold for e New Westminster bank tells us our property could not more than $2,500 cash.I do not see where Mutsy has any t to call this old lopsided frame,that has been sided ms,and in the appeal some one has mentioned a ten er house being sold in this vicinity.They must have r.I could buy at least four houses like ours for ten ars.

as quite a different story and deal between Mutsey and had some very valuable property on Lulu Island,whic

crop,as he was farming in connection with his realestate and imp-
lement business, a couple of sections,buying feed and possible
seed,and having same all done by hired help.But he fell down on
the big crop;another failure.The big profit he had made out of
our ranch had to be used to meet the big expense in trying to
dry farm for wheat.He had also slipped the bank property over to
the Union Bank of Etzikom,in order to get hold of a couple more
thousand,to keep up his dry farming.The Emma Ebel property was
recorded in the name of Henry Maas,and a deed from Maas to Mc-
Mahon for the Emma Ebel quarter,had also been inspected by Mc-
Mahon and his young attorneys,and my two agents at Etzikom,and
then left there in escrow at the Union Bank,of Etzikom,not to
be recorded until such time as certain payments had been made on
the principal.I certainly was surprised when McMahon had to use
one of his young attorneys to testify that certain titles need-
ed more inspection,They had nearly worn them out,rambling them
back and forth,trying to satisfy McMahon's bluff.

Now,the fact is.Mr.Sargent had very little to say on
the witness stand.I am unable to figure out why he came there,
other than that he and McMahon had framed up something.All along
Mr.Sargent was acting so nice toward me,asking me if I needed
him as a witness,up to the last day.He could hardly play the
game that Judas did,and betray me at the last minute.I am unable
to see thru Sargent and his testimony.Since the appeal book has
been drawn up,there seems to be added on to Sargent's testimony,
ten times the amount that he actually said in court,as he was
trying to hide his wrongs by breaking down and therby excusing
himself from testifying to only a few words and everything else.
They must know that he will back up this statement that has been
jeopardized in his favor in the appeal.No doubt I overlooked a
lot of good evidence and made a lot of mistakes in my testimony,
since I have been so poorly in health,and been on the stand too
long,as I get the headaches as quick as I try to think very hard,
or study a little.The doctors strictly forbid me to study or
think about this big law suit as it will break me down entirely
once more,the same as I have been two or three times.Mr.Sargent
did not only betray us saying,he was still at his office,but his
whole testimony seemed to be a frame up between he and Mort Mc-
Mahn;and McMahon knowing that he had promised to make good all
fraud that we should find,had to barr any and all evidence that
could be barred.I had furnished Mr.Art Erdman,and Olaf Jackson
as two of my main witnesses.I had also in mind that Sargent and
Mr.Marsh the banker, would be or great value.My atterney had ad-
vised me he did not need them on my side.I had told Mr.Sargent
that the bank rated this same property in value,in this deal at
$33,000,but even if I had to loose four or five thousand dollars
it would be better on a big deal like mine was,than to rent out
all this stock to strangers,and be away two or three thousand
miles,since I was either going to the Coast or to the east to the
pine forests.Mr.Sargent had already started to reverse some of
these conversations while on the stand,but later it

shows that the evidence had been jeoperdized and changed
more or less in the appeal book,and a large amount added on.Mr.
Sargent's evidence as written up in the appeal book,seems to show
about ten times the amount of conversation there actually was,
reversing all conversations betweenhe and I,while he had been my
agent.Since three or four pieces of wild land had been sold at
$25 and $30 per acre,in the near neighborhood,and my section hav-
ing $500 in fences and no less than $1,500 in buildings,sheds,

4819955

and help hide his crooked,slippery deal,and ring in my own agents, such as Mr.Sragent and Mr.Marsh the manager of the Union Bank,who were to protect my end of the deal.McMahon showed fraud when he demanded I change the leases contrary to agreement,and sent me a form to sign,changing the Crown lease from McMahon to the Park Lake Ranch Ltd.,simply because he did not want to become a citizen.This was in defiance of any previous understanding.He also showed a second fraud by claiming a reduction in the appeal book of $80 therefore.It forced me to go to Medicine Hat,and get legal advise from my attorney,Mr.Blanchard,who advised me,that to hurry the matter along,I better grant the changes and let him(Mr Blanchard)write up the lease and make all necessary changes in it to make it acceptable to the Crwon,which I did.Mr.Blanchard wrote up the lease in this manner,whcih I later signed at the Union Bank of Etzikom,and left with the same bank in escrow,not to be recorde until the money was left there,since same had been approved by the Crown agent,when I furnished Mr.Blanchard with an approved form and copy from the Crwon,for his guideance.

McMahon was schrewdn and smooth enough to turn these two friends of mine,whom I had trusted with all my papers and business,and all securities;it is for you to judge what he did to turn my agents and help my men work his game.

You will find in the appeal,where Sargent gets on the stand,and tells of me coming to his office in the evening before supper.Now, why would Mr.Sargent get on the stand and tell a straight lie,like that? He knows I came to his little cottage as it was just getting dark.He and his wife,hired girl and six or eight children,were all enjoying a nice supper,and immediately after supper,he went to his office.As I stated before,he also tried to be schrewd and play the game,that he is not responsible, for what he is saying and doing,pretending that he is breaking down,right on the witness stand.

He and McMahon had written up the Emmz Ebe title,both knowing the title to be perfectThey asked me to take it thru with me to Fairbalut,Minn.U.S.A.,have my sister and Mr.Ebel go before a notary,sign the title,and send it back to the Union Bank of Etzikom,alta.The same got back in December 1918.There has never been any changes made in the Emma Ebel title,from the time they were returned in escrow that to this.They were passed on by American officials,then passed on again by my two notaries,at Etzikom, then forwarded immediately to McMahon's two young attorneys.About this time McMahon had got in touch with another big bunch of sheep;wool selling for 50¢ per pound.Another 800 or 1000 sheep,. meant something to his pocketbook,as you will see from one of his letters in the appeal.Nine months later,after buying my ranch,he sold $7,000 worth of wool,and possible his increase would be worth$10,000.Instead of at once returning the Emma Ebel title to be recorded,they simple began to frame up a lot of excuses,jeopardizing the American rights in perfecting titles.McMahon had sold and removed between eight and ten thousand dollars worth of stock, feed,seed and implements and turned them mostly into sheep,and did not want to give up any mor e cash,but bar all payments and buy more sheep,which he did.He also tore down barns and other improvements on the Emma Ebel place,farmed the land and took full possession of the same.He had helped write the titles,the same had been back to him and his young attorneys.They had all witnessed and learned of the titles being signed and perfect.But-on with his second sheep deal and informed those young attorneys McMahon's greed for more sheep was so strong,that he went right to,"keep on singing the same old song",that the title of the Emma Ebel was not perfect,until he could harvest his next big

4819955

strength of this remark,trusting that we had the law on our side, since we had no knowledge in any waymshape or form,other than that of McMahon's lips,and his assurance of the same.

When Sargent read the agreement,it had been changed quite a little from the one I had signed the evening before.It also showed a mistake.Where it should read,"three Dominion leases and one school permit,"McMahon had asked Sargent to write it,"three Dominion leases and one school 'lease'".I called Sargent and McMahon's attention,and asked them to make the necessary corrections, as I wanted the agreement to read,"school permit" and not "school lease," but they both spoke up and said,"We all know what it means." Sargent said," As long as McMahon is satisfied and has been to the land office,and you have furnished him with the old permit,fully informed him in my presence,he has no grounds for any kick.But,if McMahon wishes it changed,I certainly will change it and write it over."

The Port Angeles porperty proved to be a complete fake, several miles out in the hills where a certain deep ravine cuts thru a 20 acre lot,making this 20 acres worthless.This 20 acres is only platted on paper so far as I can find out after three or four inspections.No one can show a sign of a blaze of an axe or a stake of any kind,and the taxes are only 25¢ a year,and the deed is not even perfect;neither is the abstract.Since this property was represented to be worth $600,and is really worth $1.50 or practocally valueless,and the taxes are only 25¢ per year,it certainly shows fraud.

I must add,why do my own attorneys,together with Judge Hienman,play the game and say there is no fraud,after McMahon had only paid a few thousand of the first payment.The larger part of the first payment was not yet paid,as you will see,in the copy I am inclosing herewith;

Didn't McMahon sell all horses and cattle,which amounted to over $8,000,and then make a new deed to the Etzikom bank property,and he and possibly his wife signed same and handed it to the Union Bank for them to have the property recorded in the name of the Union Bank of Etzikom,Alberta,Canada?Since the deal was arranged for,a certain amount,namely,$18,000,to be our first payment, and all papers were being held in the Union Bank at Etzikom, Alta.,in escrow,not to be turned over until McMahon had finished the first payment,and each year a certain part of the principal became due together with all interest,and the securities were to be turned over in their turn.The Etzikom bank property could not be turned over until all but $2,000 of the principal had been paid also sold the Etzikom,Duncan property,which was also part of the security, time as the above mentioned payments were made and the bank property turned over.McMahon,having an escrow agreement,definately had no right to dispose of this property.Has defining his rights,had no right to declare the judge a right to declare,"No fraud?"

Isn't there enough evidence yet,when you examine the Port Angeles property deed and learn of their wildcat paper platting;taking the securities out of the bank,recording these in his own name,thensigning up a new deed and handing it to the bank for the bank to record;also removing $4,000 worth of lease papers from the Union Bank of Etzikom and recording same,and leaving no money in the Union Bank of Etzikom to cover payments?McMahon seemed to be in an awful rush to crowd the contract in every way,shape or form,either nonestly or dishonestly.Also writing a big long letter and having same posted in the appeal book,that I amabout to dispare that this deal has not been completed,to make his bluff stronger,

4819955

room and the two of us together walked over to Sargent's office.He had kindled a fire and light up the lamps,and was looking for some certain kind of paper or form.McMahon then talked over the deal with Sargent,telling him that I had agreed to take $27,500;certain properties which he(Mr. Sargent)was familiar with as he (Mr.Sargent) was looking after most of my business.McMahon gave Sargent full details; everything;also told Mr.Sargent of his side of the deal. Mr.Sargent asked me if I was willing to take McMahon's word on the New Westmineter B.C. and Port Angeleswn property.I answered,"I have all the confidence in the world in Mr.McMahon's honesty and Coast property,but my wife is objecting to close the deal unless she has some certainty more then McMahon's word on the coast property,and I want you to arrange some protection before she will signany papers."McMahon then spoke up and said,"You folks have nothing to worry about.I will guarantee same to be worth $13,000 or refund your money."

I might add,that when McMahon was out to my place the latter part of June,and looked over the lease the first time,and we were just getting acquainted,my wife was telling McMahon,of my health and general breaking down,and that we were very much worried over what would be best to do,McMahon spoke up and said,"I see Mr.Maas's health is very poor and he needs a rest bad.""Now," he said,"I will make you a suggestion.If Mrs.Maas can get along with the stock alone,you had better go along with me to Lethbridge tomorrow morning, as Monday will be a holiday,Dominion Day.It wont cost you a cent and will be a big change.I will also take you to a friend that used to live at the Coast.He can tell you how nice it is out there;an ideal place for people that have poor health." I said,"If you stay with us over night,I might go with you tomorrow,"which he did.I then went with McMahon. He treated me like a King;nothing too good for me.He took me to the Dalas Hotel,paid for my room there for a number of days and paid for most of my meals and took me out auto riding.In fact he treated me so very nice,that I could not help gaining confidence in him,and when my wife told him the last time,"How do we know you are telling the truth," I felt rather embarrassed over what she said... small agreement was drawn up that night,which we both signed,and left with Mr.Sargent, and it is still with Mr.Sargent.Mr.McMahon thentook me back home to the ranch,and staid with us that night.My wife did not feel friendly at all toward McMahon,and kept up an argument that some body should see the Coast property before closing the deal.I explained to her,and McMahon made the remark, that if the Coast property is not as McMahon guaranteed same to be,he is willing to pay the difference.As long as McMahon is willing to make good any fraud that could be proven,we can't loose any money or property,so you better quit worrying and go with us and sign the papers,and Mr.Sargent will tell you the same.So I was finally able to convince my wife to go with us to Sargent's place in the morning.On the first of October Mr.Sargent there undertook to convince my wife as to the safety in signing the papers.He turned to her and said,"Now Mrs.Maas,you folks have not seen this property which McMahon has turned in and warranted to be worth not less than $13,000 cash.Since you have no knowledge of it's value,other than what McMahon is giving you,the law will force McMahon to make good all difference that could be proven later,when you hear from the property.McMahon seems to be in earnest as to the value of his property and prepared to make good any such difference as you may find or prove.My wife later signed the agreement on the

ty,have his brother go there and look it over,before closing the deal,and then help him draw up such securities and papers as the law calls for." McMahon got angry and hit the table saying,"Mrs. Maas,you want to get it out of your head,that I am trying to beat you folks.It would not pay me in my business to be crooked,2 and then got up and walked out on the porch.He asked me if I had time to go out for a drive with him to the lake shores on our land.In the meantime he was telling me that he had come to Alberta on or about the year 1908 or 1909,I don't just remember;only had $700 when he struck Seven Persons.He scripped this property,platted same as a townsite,called it Seven Persons,and started his realestate business.He was selling property right along without people seeing it,and if people did not find things as he recommended,he simply gave them their money back or satisfied them some other way. McMahon had been to the land office in Lethbridge,and got full particulars of our leases and school permit.He seemed to have all the descriptions or minutes right with him and he seemed to knaw all the details,as he was reading the minutes and telling my wife and me all about them.But then when I answered him,"You seem to be well posted on our leases and school permit."

As stated before we had made a drive to the lake and got back,but McMahon insisted on going thru to the town of Etzikom,as he had a little business to attend to,but I soon learned before we reached town,that this was merely an excuse to get me away from my wife,where he could settle the deal with me alone.As he stated the difference was not much in the money part on such a large deal.I had dropped down from $30,000 to $28,000,so he suggested that we better close the deal and split the difference."We surely will be able to convince your wife to sign the papers.Hey this time we had reached town.

We drove to the butcher shop and I talked a few minutes with him there,and finally consented to his wishes and split the difference,which was only $1,000 as McMahon had offered $27,000 and I had dropped down to $28,000,thus settling the deal for $27,000 for my property.McMahon then hired a room over the "Chink's" restaurant,called me upstairs to his room and began writing up an agreement.I said to him,"MrMcMahon,this wont do.This is too large a deal for me to handle alone.We have only agreed on how much I am to receive for my layout,such as,deed,land,machinery,stock,bank property,leases,school permit and a few other lots and house.My wife told you before,I must have my brother A.H. of Minneapolis,come down to guard and protect my interests." But he strongly objected to have my brother come down.He said,"You better go with me to Lethbridge,and let my attorneys fix up the papers for us,as I pay them yearly,and it wont cost me any more and wont cost you anything on your side.Well I said,"I appreciate that part of keeping the expenses down,but I have a good man here in Etzikom,Mr.J.Sargent, whom I have knaxn also employed,same as you have,to lookafter my financial conditions,since my health has been breaking down,and I have full confidence in him and his honesty.If I can't have my brother,then I will go to him to guard us in this deal,before we go any farther.Well,he finally agreed to go with me to Sargent's place, I said,"I will go over and see if he is there,as it is about supper time and I may have to go to his house to get him,which I did.I found Mr.Sargent had just gone to supper,so I went to his house and waited there until he had got thru with his supper.We then walked over to his office,where he asked me to bring Mr.McMahon.He said, I will have a little talk with him and try to guard you and your wife's interests in this deal,and as this is a big deal,and you and your wife want to be safe in every way.I then went to McMahon's

REGISTRATION BRANCH.

Dear Brother;

I am sending you a copy of a letter that I am sending the Attorney Generla,Edmonton,Alta.Now Andrew,it would seem that heretofore,in the past,their attorneys have been writing to you, thereby weighing your strength,Judgement and feeling toward them. They are satisfied that they have bluffed you and Sister Emma,and therefore they are fighting me [illegible].It also had a heavy bearing on the case,when he could call the case to his own city, and then call in such a gang as would stand by him,and jeopardise the evidence,slander me to the judge,etc.,me standing alonw without a friend.Not even my own attorney would protect me,or my evidence.If you and Sister Emma had been there,they would not have taken the chance of holding out the evidence.

I hope you have not destroyed the different letters I wrote you in the spring of 1920,when you sent me that the statement of claim,which Blanchard had prepared and sent you to have me sign,and I wrote you that I would not sign such a false statement; neither did we sign it,but took same to Blanchard's office,and had him write up a correct one,before we would sign it.

After we had written him several letters that the statement of claim was wrong and could not be signed,it would show fraud on my side.I was surprised that you had not discovered the trap they were setting for me when they sent you the false statement of claim first,thinking they could getyou to pass on the same, then their trap was complete,and I would just sign same without further examination.All this should convince you and Sister Emma, what kind of a den I fell into,altho all along I tried to be so careful.

The only man out of the whole bunch that I trusted,was McMahon,on the start;I had put my whole trust in his honesty,and Mr.Sargent's,and the two worked together and trapped us.I went to Sargent,and told him McMahon would not wait for my brother A.H. to come up to draw up the papers,therefore I had come to him to guard our interests and see that the securities and titles were all right, and also told him that my wife objected to the Coast property without seeing same.He said,"You folks have nothing to worry about.McMahon warrants same to be worth $13,000,or he will have to pay the difference."

Say,Andrew,I will repeat this last part:When Mr.McMahon came the third time,it seemed that he was bound to close the deal with us,and it happened I was right at home,riviting my sickle to cut more hay.He soon gave us to understand that he wanted to settle the question,whether he could buy our ranch and the complete layout or not.I told him to drive his car up a little further and come in the house.In the meantime,my wife spoke to me and said,"Now Henry,I don't want you to close a deal unless I am satisfied.I have worked too hard here for this ranch and our little accumulation."

Mr.Mort McMahon came in and after talking over the question a while,he soon learned that he had gained my confidence in his honesty and his coast property.But my wife was very uneasy.When she saw I was ready to close the deal,she spoke up and said,"I want Henry th have his brother A.H. from Minneapolis come down,and as long as Henry is not well enough to go to the coast and look over your proper-

Please do not pigeon hole this letter. It is time that these People are brought to their knees. Why is the Government taxed up with the enormous expense of building court houses and capitals and placing therein officials to protect the peoples property and rights? any agent representing himself as a Crown Attorney and Public Servant must carry out the law and not jeopardize the poor man and hand his hard earned money and property over to some slick sharper. If the government wants to give Art Carlson Ten Thousand or fifteen thousand they can do it,but they have no right to hold any man or agent that is undertaking to work a fraud on me. I want to say once more the Court has got my whole accumulation of my life earnings,which I have saved up for 40 years to live on in my old age. Why should I be deprived of my money and rights any longer.

In the course of the transactions Mr. [illegible] whom was fully informed as to the frauds he was perpetrating and on July 17,1919,an opportunity was given him to compromise and right the wrongs he had done by his misrepresentations. You are my last source of relief from the wrongs and injustices that have been perpetrated in the name and under the protection of Dominion Laws and I possess your kind consideration of my claims.

Dear Sir,

I am directed to acknowledge the receipt of your letters of the 18th and 20th ultimo, in which you ask for assistance from the Dominion Government to secure for you redress from the wrongs which have apparently been perpetrated against you in connection with the sale of your property in Alberta.

I regret that I can only repeat what has already been stated in previous letters, namely, that the matter is not one in which the Dominion Government can take any action. Your best course is to await advice on the matter from the Attorney General at Edmonton, as the matter is wholly under the Jurisdiction of the Provincial Government.

Sir,-

re - [illegible] Warren.

Fort Pitchwood, Alberta,
January 10th, 1911

Mr. Alex. Forbes,
Dominion Land Agent,
Edmonton, Alta.

Dear Sir:

I have the honour to make application for [illegible] Lot 17 Fort Pitchwood Settlement [illegible] Section on the following grounds, [illegible] Lot X in said Settlement, also [illegible] Lot X in said Settlement. I have now [illegible] and I am [illegible] by the above [illegible] Lot X and [illegible] Lot X and [illegible] Lot X and

settlements to the respective applicants therefor without such lots having been previously inspected and valued at a rate of not less than $3.00 per acre. The present minimum rate is $5.00 per acre.

The Agent of Dominion Lands at Fort Smith has supplied a report on this lot dated the 22nd September, last, it reads as follows:-

"I beg to acknowledge the receipt of your letter
"of July 16th in connection with the above lot.
"
"Mr. E. B. Jewell has occupied Lot 47 since 1914,
"has erected a house, two stables, and other small
"building, has a garden and partly fenced the lot.
"$5.00 per acre would be a fair price to charge
"for this lot if sold, as it is mostly rock.

"Mr. Jewell has been in this country for many
"years and I think he is entitled to be allowed
"to purchase this lot.

I beg to recommend that Mr. E. B. Jewell be granted permission to purchase Lot 47, at the valuation placed thereon by the Agent of Dominion Lands at Fort Smith namely $5.00 per acre.

MEMORANDUM.

N. O. Coté, Esq., I.S.O.,
Controller.

Re Lot 47 Fitzgerald Settlement, Alberta
Area 5.74 acres.

I beg to submit for your consideration the application of Mr. E. E. Jewell to purchase lot 47 mentioned above.

The survey of this settlement was made to meet the requirements of the settlers at this point. The settlement was surveyed by E. A. Neville D.L.S., in the year 1912. There were no improvements on this lot at the time of the survey and no claimants therefor.

Mr. Jewell's application dated the 24th February last, reads as follows:-

"I have the honour to make application to you
"to purchase Lot 47 Fort Fitzgerald Settlement
"Alberta. I make this application on the following
"grounds, In 1914 I built a house 16 X 18 with
"an upstairs, also a storehouse 10 X 12, and a
"stable 16 X 18 with loft. I have a cow stable
"which I built last year 16 X 18 also a well dug
"close to the house. I have an acre of garden by
"the side of the house, and would have more but
"the lot is mostly rock and very hard to break
"up to raise anything. I have a fence around
"about four acres also a hay corral. I have
"lived with my Wife and family on the lot
"continuously since 1914, No one has ever done
"any improvements on this lot but myself, and no
"claim has ever been laid for this lot by any
"other person. I intend to do more improvements,
"but I thought it the best way to find out from
"you if I could purchase this lot before expending
"more money on this property. Trusting for an
"early reply.

Under the provisions of the Order-in-Council passed on the 14th July, 1919 the Minister was authorized to dispose of lots in the various northern

settlements

Hon. Sir James Lougheed.

Dear Sir:-

I understand that there is a lot of land open to homestead now, that has been held back by the government for quite a while. So I beg to inquire if there is any way I could get the north east ¼ of section 32. Tp. 40. R. 26 west of the 4th m.

If that quarter section is not open to homestead will you send me a map of land that I can take some where west of Wetaskwin

Awaiting your reply

I remain Yours truly.

F. R. Winslow.

29th March, 1912.

Dear Mr. Winslow,

Your letter of the 20th instant addressed to Sir James Lougheed has been referred to me for attention.

In connection with your desire to obtain entry for the North East quarter of Section 24, Township 50, Range 26, West of the 4th Meridian, I may say that patent for this land issued many years ago in favour of the homesteader, Mr. Griffin Fletcher, and is consequently no longer under the jurisdiction of the Department.

Your request for a homestead map of land west of Wetaskiwin, Alberta, has been referred to the proper officer of the Department for attention and previous communications will be written to for distribution as soon as it is completed; otherwise it will be necessary for you to obtain diagrams from the Department [illegible] the District showing the vacant lots in any township or number of townships in which you may be interested.

Yours very truly,

F. C. Winslow, Esq.,

Alberta.
